Re: Request for publication

Gentlepersons:

Would you please send me a copy of the following publication of the  
Central Intelligence Agency:

I am currently engaged in a sponsored research project related to the effects of laws, rules, and regulations on scholarly research. Of course, the history and application of government classification regulations has an effect on research conducted by (among others) historians, political scientists, sociologists, and professional academicians in the fields of law, public affairs, and the policy sciences.

Thank you in advance for your assistance and cooperation.

Very truly yours,

*Thomas K. DalGLISH*
